## Imaginal Visioning for Prophetic Foresight

World Future Society/Central Texas
January 17, 2012

Oliver Markley, PhD

# Integrative ("Integral") Activism

Billiard Ball ~ Cornucopia Causality

### Integrative Foresight

Active Volition / Willful / Yang

**Expressive** 

Mental/Rational Thinking

Imaginative Visualizing

**Conventional Foresight** 

**Prophetic Foresight** 

### An Exercise

### To imagine biting into a lemon is expressive— Imaginative Visualization

To exerience a sense of tartness and salivation is receptive—

Imaginal Visioning

### Prophetic Foresight

"Proactive knowledge based on supra-mental ways of knowing in the visioning of wise futures and ways to manifest them."

## Prophetic Foresight Developed Via Imaginal Visioning

## Filtering Out Hopes, Fears & Expectations in Imaginal Visioning

- Hope and optimism are essential for vibrant resilience when dealing with unpredictable change
- Personally held hopes, fears and expectations are important to set aside when doing imaginal filtering in order to prevent them from biasing the outcome
- How to do this.
